He is known for giving insightful presentations to both parents and students on the Korean university application process.

Mr. Kim will assist me with Korean university related questions. In addition, Mr. Kim, who currently resides in Korea, will offer a series of Zoom presentations to the ISQ community this year. These presentations will begin with an introductory presentation this **Sunday, November 22<sup>nd</sup> at 4:00 p.m.- 4:40 p.m.** (China time). This introductory presentation is for all high school students and parents who would like to learn more about applying to Korean universities.
